

BARANBALI PORK

Naturally sweeter, darker, more tender, more succulent, our organic Baranbali Pork Range is a popular seller.

Our Bacons and Hams are nitrate-free, and naturally wood-smoked for subtle flavour. Sliced Leg Ham is sold in minimum 500g portions, subject to stock supply.

Popular Pork cuts, such as roasts, mince & sausages are available year-round, with special cuts or orders by request.

Our sell-out festive season treat is the Baranbali "Christmas Cracker" - a Pork, Apple, Sage & Cranberry cocktail sausage, perfect for platters and entertaining.

We recommend you pre-order or check availability of particular products before Farm Shop or Market Days, as many of our premium cuts are limited in quantity.
